ANNUAL DAY 3RD SEPTEMBER

As we gather today to celebrate the accomplishments of Yash Sewa Samiti on our Annual Day, it is only fitting that we take a moment to honor and remember the man who has been the true inspiration behind our journey — Shri Yashpal Bhatia.

Shri Yashpal Bhatia was not just a teacher by profession but a guide, mentor, and beacon of hope for countless individuals. Through his wisdom, humility, and unwavering dedication to uplifting others, he left a profound impact on the lives he touched. His compassion for the underprivileged and his belief in the transformative power of education has been the cornerstone of Yash Sewa Samiti's mission.

To him, education was not just about textbooks and classrooms; it was about building character, instilling values, and nurturing a sense of purpose in every individual. He believed that every child deserved the chance to succeed, every woman deserved the opportunity to stand strong, and every senior citizen deserved respect and care.

Even though he is no longer with us in person, his spirit lives in every smile we share, in every hand we lend, and in every life we uplift through our work. Shri Yashpal Bhatia's teachings continue to guide us, remind us to always give back, and inspire us to keep striving for a better and kinder world.

Today, we dedicate our efforts and achievements to him, with the promise that we will continue his legacy of service, compassion, and education for all.

OUR INSPIRATION

MISSION JAGRITI (Awareness Sessions)

Yash Sewa Samiti conducted an awareness session about menstrual hygiene for 9th class girls in Sarvodaya Kanya Vidyalaya Uttam Nagar under the initiative "Jagriti" a series of awareness sessions. Sarita Bhatia, president of YSS sensitized about 250 girls in this session. Queries related to the same were answered in the session. Then sample pads were distributed.

Principal of school Mrs. Sarita Kumari thanked Yash Sewa Samiti for this awareness session and promised to conduct such more awareness sessions.

Stitching Classes

IMPACT

- 1. Stitching Eco-Friendly Materials from Pieces of Clothes reduces textile waste by upcycling fabric scraps that might otherwise end up in landfills. It also encourages a circular economy, contributing to environmental conservation. It not only raises awareness about sustainability but also provides livelihood opportunities.**
- 2. Educating girls about menstrual hygiene can significantly reduce absenteeism in schools, improving overall academic performance. It helps break societal stigmas around menstruation.**
- 3. Providing shoes to children from single-parent households ensures they can attend school comfortably which can positively impact their emotional well-being.**
- 4. Food distribution directly alleviates hunger and malnutrition. These initiatives not only address immediate needs but also build a foundation for long-term sustainability, empowerment, and health in the communities served.**
