Message from the founder

Dear Doer's
Greetings!

It is with immense gratitude and pride that I share with you the ongoing journey and achievements of our NGO, Yash Sewa Samiti. For over seven years, our dedicated team has been working tirelessly to bring positive change to the lives of underprivileged individuals in our community.

We are conducting regular awareness sessions on menstrual hygiene and sanitation.

Through our remedial classes, sponsorship programs, and provision of essential educational materials, we strive to ensure that every child has the opportunity to learn & thrive. In addition to education, we are committed to creating sustainable livelihood opportunities. By forming self-help groups (SHGs) and providing skill development trainings.

Thankyou for your support .
Warm Regards
Sarita Bhatia
