YASH Sewa Samiti

Dear Supporters!

Your kind support help us to run remedial classes for children of domestic help and labour class to empower them with education & skills.

To empower these children means to Empower a community.

Your support about breaking cycle of inequality and giving them tools to build better future.

Together Let's ensure every child has the chance to shine. Sponsor education and BE A CHANGE MAKER.

.. Sarita Bhatia, President

GO GREEN

We are on a mission to amplify our impact by showcasing actions that protect our planet. Recycle, Reduce, Reuse are the 3 R's that Yash Sewa Samiti uses . Sustainable Living makes a positive Impact on the environment and protect our planet. So let's GO GREEN Because every act matters!

1. REDUCE

Use reusable shopping bags designed with scraps of clothes and water bottles as planters to reduce single-use plastic waste

We are Going Green

2.REUSE

- Repurpose old items for new uses, such as using glass jars as storage containers or turning old clothes into cleaning rags.
- Donate or sell items you no longer need instead of throwing them away.

3.RECYCLE

YSS Sort and recycle paper, plastic, glass, and cloth products.
Purchase products made from recycled materials to support the Self Help Groups

Different Activities during the Month
